PROJECTS

Google Ads Search Campaign – Digital Product Promotion Sep 2026 – Oct 2026
Self-directed project. Campaign planned, not launched. View Project

- Shortlisted high-intent keywords in Google Keyword Planner and grouped them into themed ad groups.
- Wrote targeted ad copy for each ad group and designed the proposed Search campaign structure.
- Planned a ₹2,100 seven-day test budget, a bidding approach and purchase conversion tracking.

Tools: Google Ads, Google Keyword Planner, Microsoft Excel

Meta Ads Campaign – Instagram Promotion for Digital PDFs Sep 2026 – Oct 2026
Self-directed project. Campaign drafted in Ads Manager, not published. View Project

- Built a draft Instagram campaign in Meta Ads Manager to promote digital PDF products.
- Configured audience targeting and ad placements for the draft campaign.
- Created promotional creatives, headlines and ad copy for the campaign.

Tools: Meta Ads Manager, Canva, Instagram, Facebook

Google Analytics and Website Performance Dashboard Sep 2026 – Oct 2026
Self-directed project View Project

- Built an interactive dashboard in GA4 and Looker Studio covering traffic, acquisition sources and audience data.
- Visualized engagement metrics and key performance indicators (KPIs) to show how visitors find and use a website.

Tools: Google Analytics 4 (GA4), Looker Studio
